

New South Wales Professional Skaters' Association Incorporated

NSW CHAMPIONSHIPS

All NSWPSA members should know that Accreditation for NSW Championships is by way of your APSA 2015/2016 Membership card. (purple this year)

The organising committee will expect all coaches accompanying skaters at the barrier to be wearing their ID tags for both practices and competition events.

These cards have been distributed.

If you have NOT received yours please ensure that you have paid all membership fees and completed all paperwork for your 2015/2016. Please attend to any outstanding matters URGENTLY.

If you have completed all membership requirements and are yet to receive your ID card please contact NSWPSA and APSA immediately.

APSA along with the state PSA's have arranged that all coaches, upon presentation of their ID card, will have access to catering at this event.
